### *"Nova Hollandia"*

*The jingle of harness, the clank of armour, shining knights on brightly caparisoned chargers. Raised lances, thundering hooves, then the crash of impact, shattering timber and the cries of the crowd.*

For the first time in Wellington the Nova Hollandia Jousting Team will treat us to a heart-pounding medieval equestrian display including jousting, skill at arms and mounted archery displays, all in period accurate costume

### *"Bike Boy"*

As seen on Hey Hey Its Saturday and at the Sydney Extreme Games

A spectacular comedy circus stunt show combining bicycle stunts, fire, knife juggling and comedy, all finishing with his latest stunt where he balances on a bicycle on top of a 3.2m high pole then swallows a sword while juggling knives, apples & fire sticks.
